GREENING THE TRANSATLANTIC ALLIANCE:

E.U. and U.S. Perspectives on a Global Carbon Market to Combat Climate Change

Atlantic Corridors and Fordham Law School cordially invite you to a one-day conference on building and bridging European and U.S. initiatives in the critical field of climate change. Panelists will be reviewing the Copenhagen conference with an eye toward future negotiations, particularly the development of a global carbon market. We hope you can join us for this exciting event.
